

began to walk to the rear bedroom of the house. Ofc. Diggs-Taylor, and Ofc. Cates were able to grab onto him and take him to the ground. While on the ground, McCoy still resisted the officers by refusing to place his hands behind his back. Officers were finally able to get his hands behind his back, and place him into handcuffs, tension checked/double locked.

Defendants Brittany Anne Bonsall, Diamond Lachelle Seals, Nathaniel Marcus Manning, and Alisha Ann Farrer were all placed into handcuffs; tension checked/double locked, and placed into the rear of our police vehicles. Officers then went upstairs and placed Raymond Walter Herrmann into handcuffs, tension checked/double locked, and placed him into the rear of Ofc. Cates vehicle. Ofc. Diggs-Taylor collected the narcotics from the front door.

I then went out to speak with Nettleton. Nettleton stated that we again can search the whole house and that he has nothing to hide. Officers then searched the basics of the house and recovered a scale with sandwich bags on the kitchen counter. Due to my training and experience, a scale and sandwich baggies are common tools in the use of narcotic sales.

Are Towing arrived on scene and towed the vehicle to Area Towing. The vehicle was placed on LEIN as impounded.

All defendants were transported to Taylor Police Department and turned over to Jail PSO Schnell without incident.

Due to Walkers criminal history of narcotic sales and distribution and the way the the narcotics were packages for sale, it is believed that the \$5,311.00 that Walker had on his person came from the sales of narcotics. Due to this, the money is forfeited. Ofc. Toth and I, along with Sgt. Hall counted the money three times and got a total value of \$5,311.00. (14-\$100.00, 12-\$50.00, 159-\$20.00, 7-\$10.00, 12-\$5.00, 1-\$1.00) Walker was explained the Drug Asset Forfeiture Form to which he did not sign.

When searching Manning, Ofc. Toth recovered \$246.00 in cash. Due to Mannings history of narcotic sales, the money was forfeited due to the belief that it came from narcotic sales and that he was in possession of narcotics. (1-\$100.00, 6-\$20.00, 4-\$5.00, 6-\$1.00) Manning was explained the Drug Asset Forfeiture form to which he understood and signed.

While at the station, I field tested the crack cocaine that was in Walkers pocket. It tested positive for cocaine. The first baggie was all powder and weighed 12.1 grams. The second baggie weighed 6.2 grams and had 23 individual.
